It's tough at times.
The atty for the family turned over
the collection to a specialist in
that area.

Ah ok got it

Thanks for trying as hard as you
did. The "industry" is shunning
him as far as I know.

Thank you for your help

I wish I could have done more. I
did all I could.

Your contribution is much
appreciated

Am I out of the mess now, it's
finished?
